Sub: Re-allotment of iron ore in favour of stand-alone iron & steel industries of the State in pursuance of Government Notification No.4822/SM dt.26.06.2014

Sir,

In suppression of this Directorate letter No.10827 dt.12.12.2014 on the subject mentioned above, I am to say that Government has been pleased to reallocate iron ore from different mines to the stand-alone iron & steel industries of the State as per the enclosed statement along with the price at which the iron ore is to be procured by the industries. You are requested to intimate the concerned lessees and the respective industries for taking necessary steps to lift the material at the earliest. The allotted quantities are to be lifted by the end of this quarter ending on 31.03.2015. The allottee industries are also required to intimate the concerned DDM/MO the quantity, if any, to be procured by them from M/s OMC Ltd. through the long term linkage as decided by the Government. The said quantities should be deducted from the allotted quantity by the concerned DDM/MO under intimation to this office while allowing lifting of iron ore by the allottee industries. The lifting of iron ore by the stand-alone industries will be as per the procedure given below:

1. The DDM/MO of the respective circle shall intimate the allocated amount to the concerned lessee and the allottee industry forthwith.
2. The allottee industries should submit an undertaking with the respective DDMs/MOs of the concerned circles indicating their acceptance of allocation within ten days of receipt of intimation from the DDM/MO concerned failing which the allocation made will be cancelled and the matter will be dealt as per

the provisions of para 14 of Government Notification No.8422/SM dt.26.06.2014. The copies of the said undertaking and cancellation orders, if any should be sent to the undersigned immediately.

3. Each allottee shall submit an unconditional and irrevocable bank guarantee in favour of Director of Mines for a sum equivalent to ten percent of the pecuniary value of the mineral allotted as per format enclosed herewith. This bank guarantee should be submitted with the Director of Mines within ten days of receipt of intimation which will be duly received by the Director of Mines or any officer authorized in this behalf on the same day. A copy of the receipt of bank guarantee shall be submitted by the allottee to the concerned DDM/MO, failing which the allottee industry shall not be permitted by the DDM/MO to lift the allotted quantity of iron ore.
4. In the event of non-acceptance of the allotment or non-submission of bank guarantee within the specified time frame as stated above, the allotment will be treated as automatically cancelled and the DDMs/MOs will allow the concerned lessee(s) to sell the allotted quantity to other buyers, both inside and outside the State.
5. The quantity allotted in this scheme and accepted by the allottee shall not be refused to the allottee industry under any pretext by the concerned lessee. In case any lessee refuses to honour the allotment, the concerned DDM/MO may withhold further permission for removal of ore in respect of the mine and bring it to the Director of Mines with a factual report thereon. Ore removal permission may be restored from the concerned mine only after receipt of instruction for the same from the Director of Mines.
6. The quantity of iron ore to be lifted under this scheme shall be sampled, analysed in the Government laboratory and weighed at the delivery point of the mine and certified by the jurisdictional DDM/MO.
7. In case any amount of mineral has been lifted by any state-based industry as per allocation communicated vide this Directorate letter No.10827/DM dt.12.12.2014, the said quantity shall be taken into account while permitting further quantities of iron ore to the industry. Such permission shall be subject to all other conditions prescribed herein.

8. The lessee shall be free to dispose of or otherwise deal with iron ore that are not subjected to preemption as prescribed under para 13 of Government Notification No.8422/SM dt.26.06.2014. Concerned DDM/MO shall take appropriate action in this regard.

Actions taken in compliance of this order should be intimated to the undersigned on weekly basis for proper tracking of the arrangement.

Yours faithfully,

DIRECTOR OF MINES, ODISHA
