

[4th Indian Iron-Ore, Pellet and DRI Summit](#)

With major merchant Iron Ore mining leases coming up for auction, Indian Iron Ore Industry is expected to undergo a transitional phase in 2020.

Mining companies like NMDC and OMC aims to strengthen Iron Ore output in the coming years. Considering steel capacity ramp-ups, it would be interesting to see whether it meets India's increasing demand or not. The fourth edition of Indian Iron Ore, Pellet & DRI Summit intends to discuss the recent development of Mines Auction 2020 and understand its impact on domestic Iron Ore demand-supply therein, purview of imports and influence on DRI & Pellet industry.
