WE- BINAR

15th June, 2020

03.00 PM IST

**Dr.-Ing. Jan
Paul Lampke**

Head of Sales & Projects,
Haver Engineering GmbH,
Freiberg, Germany

Topic:

**Process of sustainable and efficient
production of iron ore pellets**

Key points of discussion

- 1: How SCARABAEUS® can improve product quality
- 2: How the process increases product output
- 3: How it can create enormous CO2 emission savings, thus minimizing the mine's impact on the environment
