

Temporary discontinuation of  
**Raipur Sponge C-DRI price assessment**

Dear Patron,

Greetings from SteelMint!

SteelMint is temporarily discontinuing the price assessment of lumps based DRI (C-DRI) sponge of Raipur, India for FeM 80% grade. With limited number of offers for the same in market, SteelMint has temporarily held its price assessment w.e.f. 14 May'22. However, once majority of plants resume productions of the same, we will resume the price assessment depending on spot sales of material. Although, the other sponge price assessments of Raipur P-DRI & C-DRI (FeM 82%) will be updated daily as per our publishing schedule.
